ORR REQUIREMENT NO. RR/HTA/E/R107/56: Report evidence of construction of new petroleum storage tanks in Constanta, Rumania.

REMARKS:

The petroleum storage facilities in Constanta are comprised of the following five tank farms:

|   |       |
|---|-------|
| Constanta Petroleum Storage, "Palas",           | 25X1A |
| Constanta Petroleum Storage, North of Railroad, | 25X1A |
| Constanta Petroleum Storage, "Astra Romana",    | 25X1A |
| Constanta Petroleum Storage, "Unirea",          | 25X1A |
| Constanta Petroleum Storage, "Waterfront",      | 25X1A |

There have been no apparent changes in any of these petroleum storage areas since they were previously photographed during World War II. The tank farms appear active, but there is no evidence of new tank construction.
